

FOUR CRITICAL ACTIONS FOR SCHOOLS

Responding to Incidents, Disclosures and Suspicions of Child Abuse

1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**.

If a child is at immediate risk of harm you **must** ensure their safety by:

- separating alleged victims and others involved
- administering first aid
- calling **000 for urgent medical and/or police assistance** to respond to immediate health or safety concerns
- identifying a contact person at the school for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

2 REPORTING TO AUTHORITIES / REFERRING TO SERVICES

As soon as immediate health and safety concerns are addressed you **must** report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

Q: Where does the source of suspected abuse come from?

YOU MUST TAKE ACTION

As a school staff member, you play a **critical role** in protecting children in your care.

- You **must** act, by following the Four Critical Actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief* that a child has, or is at risk of being abused.
- You **must** act if you form a suspicion/ reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).
- It is strongly recommended that you use the **Responding to Suspected Child Abuse template** to keep clear and comprehensive notes, even if you make a decision not to report.

*A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.

3 CONTACTING PARENTS/CARERS

Your principal **must** consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- **not to contact** the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- **to contact** the parents/carers and provide agreed information (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion)
- **how to communicate** with all relevant parties with consideration for their safety.

OTHER CONCERNS

If you believe that a child is not subject to abuse, but you still hold **significant concerns** for their wellbeing you **must** still act. This may include making a referral or seeking advice from:

- Child FIRST/The Orange Door (in circumstances where the family are open to receiving support)
- DHHS Child Protection
- Victoria Police.

Your school **must** provide support for children impacted by abuse. This should include the development of a **Student Support Plan** in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals and support.

You **must** follow the **Four Critical Actions** every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.
